

AXIOM QUICK REFERENCE

One-page production rules for partners, designers, and builders.

VOICE

RULE

Calm authority. Active voice. Short sentences. Numbers over adjectives. No hype. No emojis. No exclamation marks.

COLOR

RULE

Warm neutral foundation. Corporate logo colors are navy/white/blue/red. UI signal is one accent only. Enclosed color = identity. Bare color = data.

TYPE

RULE

Helvetica Neue / Inter. Tabular figures. Data weight ≤ 600 . Labels are small, uppercase, tracked, grey.

LAYOUT

RULE

Hairline grids. Left-align labels. Right-align numbers. Baseline alignment. Structural whitespace. No centered dense content.

COMPONENTS

RULE

Section header, stat cell, data row, flat bar, status plate, route disc. Use the system before inventing anything.

MOTION

RULE

Feedback only. 100ms reaction. ≤ 150 ms state change. Slow live pulse only.

BANS

RULE

No gradients, shadows, glows, glass, stock imagery, decorative icons, pure black, pure white, arbitrary colors, or bold-everything.
